Teaching Experience

Teaching Assistant (Instructor of Record) Aug, 2006 – present
University of Georgia, Athens, GA
Department of Educational Psychology and Instructional Technology
Course: EDIT 2000 (Introduction to Computers for Teachers)

- This course is designed to provide pre-service teacher with skills they will need to be able to use and manage technology. Also, they learned to use technology as a means of communication in an educational setting. From this course, students will polish their computer skills by learning Microsoft Office programs, iMovie, Inspiration/Kidspiration, Webpage development.

Teaching Assistant Sep, 2005 – Dec, 2005
University of Georgia, Athens, GA
Department of Educational Psychology and Instructional Technology
Course: EDIT 4160 (Design and Development Tools)

- This course helps students to acquire skills in a collection of computer-based tools, including Macromedia Flash, Macromedia Dreamweaver, Macromedia Fireworks, iMovie, and Hot Potatoes. The course is designed based on project-based learning. Students engage in plenty of projects in order to be skilled in the computer-based tools.

Academic Supervisor

Aug, 2002 – Apr, 2003

Joy Children's Language School, Pingtung Branch, Pingtung, Taiwan

- Joy Children's Language School Pingtung branch was the newly established branch. I brought my previous experiences to accomplish the following tasks: (1) administered and planned academic activities in branch school, (2) supervised and trained teachers in the branch, (3) assured school's teaching quality, (4) taught English to both primary and kindergarten students, and (5) communicated with students' parents.

Full-time English Teacher

Jun, 2001 – Jun, 2002

Joy Children's Language School, Kuling Branch, Taipei, Taiwan

- Joy Children's Language School Kuling Branch is one of the largest branches under Joy's system. My tasks there were (1) teaching English to both primary and kindergarten students, (2) administered and planned academic activities in branch school, (3) assisted in training to new teachers, and (4) communicated with students' parents.

Research Experience

Graduate Assistant

Dec, 2006 – present

University of Georgia, Athens, GA

Department of Educational Psychology and Instructional Technology

Project: Web-based Case-based e-learning in Classroom Management Problem Solving

- This project helped pre-service teachers to improve classroom management problem solving skills when facing the ethical dilemma issues. The project centered in case-based learning. Pre-service teachers accessed the online materials to learn a variety of classroom management issues. My role in this project was the reviewer for participants' essays. In addition, I also assisted in data collection and conducted data coding.

Professional Experience

English/Chinese Translator & English Site Webmaster

Feb, 2006 – Jul, 2006

Taiwan Thinktank, Taipei, Taiwan

- Taiwan Thinktank is a non-profit organization dedicated to conducting research in the areas of economics, social development, foreign policy, and governance issues. My tasks in the organization were to (1) translate articles from English to Chinese and Chinese to English, (2) review articles translated by freelancer, (3) maintain and update articles to the organization's English website, and (4) assist in international conference as an anchorwoman and a host for invited speakers.

Online Learning Material Developer

Feb, 2006 – Jul, 2006

Tamkang University, Taipei, Taiwan

Graduate Institute of China Studies

- TamKang University was the first university in Taiwan to introduce

WebCT to the campus and greatly promote online learning. In order to achieve the university's overall goals, every academic unit was required to integrate technology into teaching. My work in this graduate institute was to (1) create online learning materials and upload onto WebCT, (2) update learning material to online learning platform, (3) create Chinese and English websites for the institute, and (4) assist in data collection for the project which received grant.

Multimedia Developer

University of Georgia, Athens, GA

Department of Educational Psychology and Instructional Technology

Project: Case-based E-learning in Dynamic Decision Making in the Context of Anesthesiology

Jan, 2006 – Dec, 2006

- This project aims to improve students' decision making skills by using case-based online learning material. My tasks included (1) developing English and Korean tutorial with Macromedia Captivate and Peak, (2) monitoring audio recording quality, (3) assisting in video editing and insertion of caption with Macromedia Flash, and (4) creating team website.

Development Editor

Pearson Education (Longman), Taipei, Taiwan

- *SuperTeens* is a series of textbooks developed by Pearson Education. This series of textbooks is targeting at junior high school students (Grade 7 - Grade 9) in Taiwan. The design of instruction centers on communicative approach and spiral learning. My tasks included (1) developing and editing English textbooks, (2) communicating with freelancers and other in-house editors and artists, and (3) administering, planning, and organizing team projects, including time management and budget management

May, 2003 – Jun, 2004
